## Change In Mail Delivery Announced By Postmaster Andy Becker

Postmaster, Andy J. Becker announced this week that effective Sat. June 11, 1960, the north end of Bay St. Louis, known as the Cedar Point Section will be converted from Rural delivery service to Mounted City Delivery Service. To mount in this section of town will be delivered by mounted carrier at the curb. This means that there will be no relocation of the boxes in the Cedar Point area.

The advantages of this change will be that the Cedar Point section of Bay St. Louis, Miss., will have Special Delivery Service for the first time in the history on the Bay St. Louis Post Office.

Also, there is a lot better possibility that the delivery will be expedited to include delivery at the curb for the new streets in this area, which are not at the present time receiving delivery at the curb but are having to go to the corner to get their mail.

However, the disadvantages of this change is the fact that the patron in this area will have to purchase their money orders and stamps at the post office instead of from the carrier as in the past.

Postmaster Becker, announces that all of Easterbrook and St. John Streets will be changed from Mounted carrier to Foot Carrier. The only difference it will mean to these patrons is that they will receive their mail a little earlier in the day and that their parcel will be delivered separately from their mail.

Postmaster Becker stated further that there will be a difference in the time that the mail is delivered all over Bay St. Louis, and asked that the people bear with the service until the new arrival time of their mail is completely worked out.

The above changes have been necessary due to the overburdening of routes due to the increase in the number of patrons at this office.

## To Attend Red Cross Aquatic Training School

Mrs. P. E. Porter, Jr., will leave June 7 for Shelby State Park National Aquatic School where she will represent the Hancock County Red Cross Chapter at the 10-day National Aquatic School sponsored by the American Red Cross.

On completing the intensive training, Mrs. Porter will be a certified Red Cross water safety instructor, qualified to teach classes in swimming and lifesaving in the community. Mr. Lucien Kidd, chairman of the local chapter's water safety committee, said.

"We realize that there are some 7,000 drownings in the nation every year," Chairman Kidd said, "and in order to prevent those tragedies from happening in Bay St. Louis, our chapter is financing this training. As a result, youngsters who enroll in the free swimming and lifesaving courses to be offered later in the summer may be assured of learning how to take care of themselves in the water."

Students attending the aquatic school at Shelby State Park will be trained in such skills as swimming, lifesaving courses to be practiced, diving, and first aid. All courses will be under the direction of Red Cross first aid and water safety leaders and other specialists in those fields from various schools, colleges, and safety organizations.

Mrs. P. E. Porter, Jr., is a lifetime resident of Hancock County and the mother of four children. She graduated from Sullins College, in Virginia and attended Newcomb College. She was physical education instructor at Christ School during the 1959-60 session. She is the daughter of Mr. and Mrs. Harold Weston.

## BRIGHT OBJECT SEEN HERE MAY HAVE BEEN A BALLOON

Many residents of Bay St. Louis were startled Tuesday evening about dusk, when they saw what appeared to be a large bright light shining in the North-Northeast section of the sky.

It was clearly witnessed for about an hour before fading out, or so it seemed.

Following is an item which appeared in the New Orleans States Item of Wednesday afternoon, giving an explanation of the object seen:

A 10-story-high balloon timed to release a parachute over southern Louisiana containing a film pack may have been the bright object spotted over New Orleans last night.

The object, described as orange in color, was seen about 7 p. m. Residents as far away as Pearl River, Miss., also reported seeing the object about 7:10 p. m.

It may have been the balloon, which was launched from the Gyno Naval Air Station at Brunswick, Ga., Monday.

The film in the balloon records cosmic rays. Purpose of the launching was to measure stratospheric winds for larger flights in the future across the nation.

The balloon was seen over Pensacola, Fla., early yesterday. Presumably the same balloon was seen over Mobile later yesterday.

Eighth Naval District headquarters here said they had no information about the location where the film pack was to be dropped.

Lawrence J. Strommeyer, associate professor of physics at Loyola University said the object appeared in a north-northeast direction at a 40-degree angle of elevation over New Orleans.

Individual trophies were awarded to each of the six top finishers in each race. Biloxi claimed eight individual trophies, Bay-Waveland seven, Pass Christian five and Gulfport four.

Bay-Waveland and Biloxi each claimed two first place finishes. Walter Seymour of Biloxi won the first race and Jimmy Holland of Biloxi crossed the finish line ahead of the first in the final race.

Bill Argus, Sr. of Bay-Waveland claimed second race honor and Bill Watts, Jr., won the third race for Bay-Waveland.

At the end of the first two races Saturday, Pass Christian had the team lead with 154 points and was followed by Bay-Waveland with 148 1/2, Gulfport with 140 and Biloxi with 133 1/2.

The Biloxi skippers went to work in the first race Sunday morning, the third of the race series, to surge into second place. They finished 3-4-6-8-14-16 for a total of 89 points in the third race, putting their point total to 222 1/2.

The profusion of day lilies and gladioli in so many yards along the coast have created quite a stir among nature lovers. No yard, however, can quite compare with the beautiful blooms being admired every day in the garden of Mr. and Mrs. Harold Hicks. Not only are the lilies and the "glads" blooming in wild profusion, but many rare species of day lilies are causing "Oh's" and "Ah's". Last week Mrs. Hicks called several of her friends to visit her garden and see the rare bloom ensemble, a day lily which has drawn interested flower enthusiasts all the way from Jackson. This reporter was among those who admired the Ensemble, a bloom almost as large as a dinner plate, pale yellow, delicately tinted at the tip of each petal. Gracious hostess, Mrs. Hicks, gave each lady her choice of blossoms, and then with a magnificent, generous gesture picked the Ensemble and gave it to yours truly. It adorned the coffee table all day, and then in the evening went "to sleep" following the fashion of a good day lily after dark.

The beautiful bouquet of gladioli in the Hancock Bank this week also comes from the Hicks garden. So many have admired these lovely flowers, we thought you'd like to know they come from Waveland.

Sympathy is extended to the relatives and friends of Mrs. Hermet T. Trudeau who died at her home on Second Street on Sunday. She and her husband had resided in Waveland for many years.

We have been asked to mention that garbage disposal collections will go on the new summer schedule Monday, June 6. Mayor Garfield Ladner in making the announcement said that pickups will be made on Mondays, Wednesdays and Fridays through June 7 and August.

Detlef Quandt, the German exchange student, who has been making his home with the May family while he attended Bay High this year, plans to leave this week with Mr. and Mrs. Jan Brameyer and son, Kees. They will visit many interesting places on their way to Virginia. This is a wonderful opportunity for Detlef who is most anxious to see more of America before he leaves for his own country.

Mr. and Mrs. Norman Hall, daughter Lynne, and Mrs. T. H. Brockman, Sr. drove to Hattiesburg Saturday to attend the Margaret Conn dance review, Stars of Tomorrow. The young daughters of Mr. and Mrs. Ott Brockman, Peggy Ann and Christine, took part in the review, dancing in specialty numbers and in group dances. Miss Conn's reviews always draw a capacity crowd and this was no exception. The Mississippi-Southern auditorium was packed to capacity by a most appreciative audience.

Mr. and Mrs. A. E. White and children have been enjoying a short vacation in Anahuac, Texas, where they visited relatives and friends.

Also enjoying a Texas vacation are Mr. and Mrs. O. H. Williams who went to Houston to visit their children and grandchildren.

The Reverend Kermit Rouse of the Waveland and Clermont Harbor Methodist Churches bid farewell to his congregation on Sunday. He has been assigned to a new charge in Tickfaw, La., where he will preach and attend school. The new minister for the Waveland and Clermont Harbor churches is expected to arrive shortly.

Here...  
you'll find a Faith  
to live by...

It's quiet inside. Quiet with the peace of centuries, for this is God's House.

Within these walls, the worries which loomed so large outside become less fearsome... for the first time perhaps you see them in their true perspective. If this alone were the reward of Faith, it would be enough. But there is more.

Faith is a source of strength, a reservoir of power that helps you meet the needs of every day. By worshipping with your family each week at your church or synagogue, you're giving them a measure of security no amount of money could buy. The Faith to hope... to grow... to live by.

Build a stronger, richer life...  
Worship together every week

**Sound Advice**

Never use drugs left over from a serious illness for self-treatment of a similar ailment. You see, modern drugs are highly potent—that's why we dispense them only when your physician prescribes. If you dose yourself with leftovers, you may do serious damage. It's a good idea to pour the remains of old prescriptions down the drain and destroy the bottles.

## Staeble-Tibbler Wedding

Miss Sarita Mathilde Tibbler, daughter of Dr. and Mrs. Disney Tibbler, son of Dr. William Adam Staeble of Bay St. Louis, was married Saturday morning in the Church of the Most Holy Name of Jesus in New Orleans.

The bride's brother, the Rev. Edward J. Tibbler, S. J., officiated at the ceremony.

Given in marriage by her father, the bride wore a wedding gown of filmy white lace and silk tulle. The fitted bodice of lace featured a scalloped, bateau neckline and three-quarter length sleeves. Deep points of lace, extended over the full skirt which fell into a train at the back. Large silk roses accented the waistline above the train. Her finger-tip veil of illusion was held with a crown of lace and pearls, and she carried lilies of the valley and bridal roses.

The bride's sister, Mrs. Daniel H. Hoffman, Jr. of Baton Rouge, was matron of honor; the bridegroom's sister, Miss Marie Therese Staeble, was maid of honor. The other attendants were Mrs. Paul Mire Melancon and Misses Lyn Gillette and Darlyn Mercadal.

Their dresses were ballerina length white organdy fashions with scoop neckline, and bell sleeves. The skirts, slim in front, had back fullness accented by red velvet carnations with green velvet stems and leaves. Matching velvet banded the sleeves and cinched the waistlines. Their headpieces were of crimson carnations and they carried baskets filled with pink roses.

Mr. Staeble had as his best man, his brother, Mr. Charles F. Staeble and as groomsmen, another brother, Mr. William Adam Staeble, Jr., and Dr. Marion J. Wolfe, Jr., Messrs. Richard T. Curran and Claude L. Kollier, Jr.

Serving as ushers were Messrs. Kenneth Plunkett, Robert Bridge, Walter James Wynne, Dr. Sidney Tibbler, Jr., Dr. Ferdinand J. Tibbler, and Dr. Thomas J. Tibbler.

White gladioli, stock and palms decorated the Orleans Club for the reception which followed the ceremony.

The bride's mother wore a light blue sheath dress of embroidered organza and a white orchid corsage. The bridegroom's cousin, Miss Elsie Sport, assisted Mrs. Tibbler in receiving. She chose a pink linen dress trimmed with white appliques, matching hat, white accessories and a white carnation corsage.

Upon their return from a wedding trip to Mexico City and Sarita Texas, Mr. and Mrs. Staeble will be at home at 1528 Conery St., New Orleans, La.

For traveling she wore a royal blue linen suit with a matching blouse, navy blue accessories, a white hat embroidered on the brim in rose and green leaves and a corsage bouquet of white roses.

Among those attending the wedding from Bay St. Louis were Mr. and Mrs. Roger Boh, Mrs. J. H. Plunkett and Mrs. J. S. Blanchard.

## 'Who Was That Lady?' To Be Shown Star

The George Sidney comedy starring Tony Curtis, Dean Martin and Janet Leigh, has its local premiere at the Star Theatre, Sunday, Monday, Tuesday and Wednesday, June 5, 6, 7, and 8.

Co-starred in the Columbia Pictures release are James Whitmore, John McIntire and Barbara Nichols.

Tony Curtis, so superb a comedian in "Some Like It Hot" and "Operation Petticoat" again steps out in a farcical part as the handsome chemist whose romantic misstep is the reason TV writer Dean Martin dreams up a wildly imaginative explanation.

Martin it will be remembered, broke into motion pictures as the straight man of the successful comedy team of Martin and Lewis; his recent dramatic performances have overshadowed his first success as a comedian.

Janet Leigh, no stranger to comedy, is cinematically re-united with her husband, Tony Curtis, after their comic smash in "The Perfect Furlough". She plays the professor's lovely, but unsuspicious wife who suddenly "learns" he has been leading a double life.

Martin's fancy alibi has it that he and Curtis really are FBI agents. As a result of Martin's cover-up antics, the two tangle with real agents of the FBI, with foreign gents, and a couple of blonde bombshells.

Pictured are workers of St. John's Catholic Church in Lakeshore who have announced that the fair will be held on Saturday and Sunday, June 25 and 26.

## Ladner-Bennett Wedding

Our Lady of the Gulf Catholic Church was the scene of the marriage of Miss Barbara Bennett, daughter of Mr. and Mrs. Grover Bennett of Pearlinton, Miss., and Mr. James Arnold Ladner, son of Mr. and Mrs. August Ladner of Bayou La Croix.

The double ring ceremony took place at a Nuptial Mass at 11 a. m. Saturday, May 28, with the Rev. Father Adrian Mercier officiating.

White gladioli and potted palms trimmed the church for the occasion and Professor Joseph Hemmelsbach played a program of Nuptial music on the organ.

Given in marriage by her father, the bride chose a white lace and white tulle gown with a fitted bodice and a train in the back and the fitted bodice was fashioned with a scalloped neckline.

Her finger-tip veil of illusion was attached to a small cap of sequins and pearls and she carried a cascade bouquet of white roses.

Mrs. William Bourgeois, Bay St. Louis, was her sister's matron of honor. Her dress of pink organza over taffeta was worn with matching head veil trimmed with flowers, matching slippers and she carried a cascade of pink carnations.

Kenny Ray Ladner, cousin of the groom, served as best man and ushers were Alton Ladner, brother of the groom, and Larry Givens, cousin of the bride.

A reception followed at Lakeshore Civic Center. The bride's table, covered with white net over tulle, embellished with greenery and roses, held a three-tier wedding cake flanked by silver candelabra holding white tapers.

Bennett chose for her daughter's wedding a beige linen frock with brown accessories and a pink carnation corsage.

Mrs. Ladner assisted in receiving attired in a beige silk suit, white accessories and a corsage of white carnations.

For traveling the bride chose a white sheath with black organza duster and a white carnation corsage on her shoulder.

Upon their return from their wedding trip they will make their home in Bay St. Louis.

The bride and groom are both graduates of Kiln High School.

**RANKS FOURTH IN SOPHOMORE CLASS**

Cleta Kay Miller, daughter of Mr. and Mrs. Paul M. Miller, ranks fourth in the Sophomore class at Beloit College.

It was announced at a recent academic honors program on the campus that Miss Miller made 2.67 out of a possible three grade points.

Gross income from eggs, farm chickens, and commercial broilers totaled \$81,042,000 during 1959, or ten per cent above the gross income of \$73,380,000 in the previous year. Mississippi's expanding poultry industry, admittedly, is faced with ups and downs, but generally speaking, poultry production has achieved some real gains during the past year. There is reason for optimism in view of Mississippi's ten percent increase in gross income from broilers, eggs, and farm chickens during the past year. There has been enjoyed phenomenal growth in this field over the past ten years, and Mississippi has the potential to become the South's leading poultry center within the next decade.
